Mrs. Rita Halle,
1133 Park Avenue,
New York City,

My dear Mrs. Halle:

I do not want the year 1933 to close without acknowledging to you the sincere appreciation I feel for your loyal and generous cooperation with the 1933 Mobilization for Human Needs.

Your article in the December issue of "Good Housekeeping" was widely read, and most helpful to us in our campaigns for welfare work. We are greatly in your debt.

In voicing my gratitude for your assistance I am acting as spokesman for the thirty-four national welfare organizations cooperating in the Mobilization, and the National Citizens' Committee which so ably advised it.

With every good wish for your New Year, I am,

Sincerely yours,

Newton D. Baker, Chairman
